

Regional Stream Projects Approved as of July 22nd, 2020

Date Approved	Organization	Organization Logo	Funding Approved (\$CAD)	Project Summary
19-June-2019	Patient News Publishing LTD		\$100,000	Digital Marketing platform expansion.
19-June-2019	Tabbed Tape-Strip Corp.		\$100,000	Capital innovation for business productivity and expansion.
17-July-2019	Havelock Metals Inc.		\$100,000	Digital advanced manufacturing system.
17-July-2019	QuickSilk Inc.		\$100,000	AI driven support system.
17-July-2019	Plaintree Systems Inc.		\$100,000	Capital innovation for business productivity.
17-July-2019	Rent Frock Repeat Inc.		\$100,000	Customized AI platform for fashion and clothing subscription services.
17-July-2019	Triangle Fluid Controls		\$100,000	New computer productivity process.
17-July-2019	Belair Mechatronics Inc.		\$100,000	Robotics and customized manufacturing process.
17-July-2019	Heat Line		\$100,000	Integrated manufacturing cloud computing.
17-July-2019	Ben Hokum & Son Limited		\$100,000	Capital innovation for advanced manufacturing.
14-August-2019	Quick Mill Inc.		\$100,000	Integrating Smart manufacturing for business expansion.
14-August-2019	Dynacast Ltd.		\$100,000	Capital Innovation for business expansion.
14-August-2019	Team Eagle Ltd.		\$100,000	Disruptive technology product innovation for global business expansion.
14-August-2019	Canada Pallet Corp. (CPS Wood Products)		\$100,000	Innovative manufacturing automation.

Date Approved	Organization	Organization Logo	Funding Approved (\$CAD)	Project Summary
14-August-2019	Bubble Technologies		\$100,000	Advanced Manufacturing and prototyping expansion.
14-August-2019	Lavern Heideman & Sons Limited		\$100,000	Investment in automated manufacturing technology for business expansion.
14-August-2019	Food Cycle Sciences Corporation		\$100,000	IoT Compost technology product innovation and expansion.
14-August-2019	Fieldless Farms Inc.		\$100,000	Manufacturing innovation for business expansion.
14-August-2019	Open Ocean Apps Inc. (The Pro Angler Fishing App)		\$100,000	Commercialization of a machine learning AI app for the recreational fishing market.
14-August-2019	Sprague Foods		\$100,000	Comprehensive warehouse management system for innovative process and productivity.
18-Sept-2019	Hummingbird Chocolate Maker		\$100,000	Manufacturing innovation for global and emerging market business expansion
18-Sept-2019	Muskoka Cabinet Company Inc.		\$100,000	Implementation and advancement of an innovative process.
18-Sept-2019	Kingdon Lumber Limited		\$100,000	Innovative process and productivity plant automation.
18-Sept-2019	Savage Arms (Canada) Inc.		\$100,000	Acceleration of a cloud based technology system.
18-Sept-2019	Prisum Coatings Canada Inc.		\$100,000	Manufacturing innovation for product and business market expansion.
18-Sept-2019	Ritz Plastics Inc.		\$100,000	Capital and software innovation for business productivity and expansion.
16-October-2019	Canadian Rail Equipment Works and Services Inc		\$100,000	Implementation of a real time cloud based automated logistics interface.
16-October-2019	Premergency Inc		\$100,000	Product innovation technology to enhance SaaS management platform.
13-November-2019	Canadiana Cabinets Inc.		\$100,000	Robotics driven manufacturing innovation for global business expansion.

Date Approved	Organization	Organization Logo	Funding Approved (\$CAD)	Project Summary
4-December-2019	Custom Plastics		\$100,000	Implementation of manufacturing innovation and automation.
8-January-2019	Sunspace Modular Enclosures		\$100,000	Advanced Manufacturing innovation and business plant expansion.
8-January-2020	ZipGrow Inc.		\$75,000	Investment in automated manufacturing technology for business expansion.
8-January-2020	Deslaurier Custom Cabinets Inc.		\$100,000	Implementation of a cutting edge innovative advanced manufacturing process to meet growing market demands.
22-July-2020	PiiComm Inc.		\$100,000	Business expansion and the acceleration of innovative process and capital technology.
