

# NOTICE

The Rural Innovation Initiative Eastern Ontario (RIIEO) - Regional Stream delivered by Northumberland Community Futures Development Corporation (CFDC) on behalf of the Federal Economic Development Agency for Southern Ontario (FedDev Ontario) will no longer be accepting applications as of **Thursday, January 9, 2020 2:00 p.m. Eastern Standard Time (EST)**.

This matching contribution program intended to accelerate the growth of SMEs on the innovation track, with benefits to communities within Eastern Ontario is currently fully subscribed. Support to successful applicants will continue as organizations advance their approved projects through December, 2020.

RIIEO – Local Stream, intended to support the transition of SMEs onto the innovation path is delivered through the 15 Community Futures Development Corporations (CFDCs) at a local level through Eastern Ontario. For further information concerning RIIEO-Local Stream, including current availability of local support, please contact your local CFDC via <https://www.cfontario.ca/find-a-local-cfdc>.

We thank you for your interest in RIIEO – Regional Stream and encourage continued interest as the selected projects and their impact in building a stronger Eastern Ontario economy unfolds.
